

Proposal to begin a new ASSE Standard Project Team

Standard Designation and revision year: _____

Name: _____

Title: _____

Company Name: _____

Mailing Address: _____

City: _____ State: _____ ZIP: _____

Phone _____ Fax: _____

email: _____

Scope of proposal

Please add on a separate sheet with this submittal your first draft of your proposal referencing the current standard revision's language showing changes in legislative format, where deletions are ~~struck through~~ and additions are underlined.

Why do you require the development of this change? Cite any special attention to the public's safety, health, and welfare:

Is this issue already similarly covered in another standard? Yes No

Is so, please advise of the standard's designation, title, and the name of the standards development organization.

Are you willing to be chairperson for this project team? Yes No

Responsibilities include but are not limited to: organizing any and all meetings, preparing draft language, working to reach consensus, and resolving comments. For any assistance, please contact staff at staffengineer@asse-plumbing.org .

Please recommend contacts for potential project team participants to assist with this development.

Name	Organization	email	Phone
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

By submitting this form to ASSE, the entity making this request agrees to recognize all changes to the standard once adopted. Note that all project teams shall be reviewed by the Product Standards Committee before any calls for members are made. Acceptance of a project team's final proposal is subject to ASSE's procedures for standards development.

Please return this form to staffengineer@asse-plumbing.org

Thank you for supporting the ASSE International Standards Development Program.
