Plumbers Local 130 will require in-person attendees to show either a negative COVID-19 test or proof of COVID-19 vaccination. Per IAPMO’s Meeting Policy, all attendees of the ASSE International Mid-Year Meeting are required to adhere to our host’s policies.

To be allowed entrance to Plumbers Local 130 Training Center, please submit your proof of vaccination status via email to vaccination@asse-plumbing.org.

Acceptable proof of vaccination/booster status:
1. Photo or photocopy of a COVID-19 Vaccination Record Card;
2. Photo or photocopy of immunization record from a health care provider or pharmacy;
3. Photo or photocopy of medical records documenting the vaccination;
4. Photo or photocopy of immunization records from a public health, state, or tribal immunization information system; or
5. Photo or photocopy of any other official documentation that contains the type of vaccine administered, date(s) of administration, and the name of the health care professional(s) or clinic site(s) administering the vaccine(s).

Proof of vaccination must include the attendee’s name, the type of vaccine administered, the date(s) of administration, and the name of the health care professional(s) or clinic site(s) that administered the vaccine.

If you will be presenting a negative PCR test, you must show negative results from a laboratory administered PCR test on a sample taken no more than 72 hours prior to your entry.

Anyone who is fully vaccinated and boosted will not be required to wear a mask. Anyone who is not both fully vaccinated and boosted (e.g. those who are partially vaccinated or who have presented a negative PCR test for entry) will be required to wear a mask. Plumbers Local 130 will have face coverings available if an attendee is unable to bring their own mask.
