Protecting the people
THEY STAND GUARD OVER THE LIVING AND THE DEAD
PRESIDENTS MESSAGE
They are always willing and able to help anywhere in the world at a moments notice, from the beginning of Americas inception until the present time they stand strong before adversity knowing that some may have misadventure or the misfortunate times of uprising where ever they are living, if called upon the Military of the United States will protect their freedom from a tyrant state of oppression. We at home while our soldiers are away, shall help protect their families from going hungry and losing their shelter, this is our duty as civilians. God bless all our military, their families and our Veterans and their families
